Attachments: Tsaoun_Proposal_SRA_Submitted.pdf; SRA2017SymposiumproposalTsaounSubmitted.docx

Dear colleagues,

Thank you very much for your cooperation and support of this proposal to SRA on a very tight guideline. I am thankful for your contributions. I think, we have a very good session proposal! I will be in touch in the next few weeks if we need to do anything else. For now, please keep this proof of submitted session and session number in case they will ask us for individual abstracts.

Thank you again! I am happy to answer any questions.

Katya Tsaoun, Ph.D.
 Director, Evidence-Based Toxicology Collaboration
 Johns Hopkins Bloomberg School of Public Health
 615 N. Wolfe Street, W7032,
 Baltimore, MD 21205
